- 1-1-4: Code Alterations

1-1-1: **TITLE:** Upon the adoption by the Board of Trustees, this Village Code is hereby declared to be and shall hereafter constitute the official Code of the Village. This Village Code of ordinances shall be known and cited as the *LODA VILLAGE CODE* and it is hereby published by authority of the Board of Trustees and shall be kept up to date as provided in Section 1-1-3 of this Chapter. Any reference to the number of any section contained herein shall be understood to refer to the position of the same number, its appropriate chapter and title heading, and to the general penalty clause relating thereto, as well as to the section itself, when reference is made to this Village Code by title in any legal document. (1991 Code)

1-1-2: **ACCEPTANCE:** The Village Code, as hereby presented in printed form, shall hereafter be received without further proof in all courts and in all administrative tribunals of this State as the ordinances of the Village of general and permanent effect, except the excluded ordinances enumerated in Section 1-2-1 of this Code. (1991 Code)

1-1-3: **AMENDMENTS:** Any ordinance amending the Village Code shall set forth the title, chapter and section number of the

section or sections to be amended, and this shall constitute sufficient compliance with any statutory requirement pertaining to the amendment or revision by ordinance of any part of this Village Code. All such amendments or revisions by ordinance shall be immediately forwarded to the codifiers and the said ordinance material shall be prepared for insertion in its proper place in each copy of this Village Code. Each such replacement page shall be properly identified and shall be inserted in each individual copy of the Village Code. (1991 Code)

1-1-4: **CODE ALTERATIONS:** It shall be deemed unlawful for any person to alter, change, replace or deface in any way any section or any page of this Village Code in such a manner that the meaning of any phrase or order may be changed or omitted. Replacement pages may be inserted according to the official instructions when so authorized by the Village Board. The Village Clerk shall see that the replacement pages are properly inserted in the official copies maintained in the office of the Clerk. Any person having in his custody an official copy of the Village Code shall make every effort to maintain said Code in an up-to-date and efficient manner. He shall see to the immediate insertion of new or replacement pages when such are delivered to him or made available to him through the office of the Village Clerk. Said Code books, while in actual possession of officials and other interested persons, shall be and remain the property of the Village and shall be returned to the office of the Clerk when directed to do so by order of the Village Board. (1991 Code)

CHAPTER 2
SAVING CLAUSE

SECTION:

- 1-2-1: Repeal of General Ordinances
- 1-2-2: Public Utility Ordinances
- 1-2-3: Court Proceedings
- 1-2-4: Severability Clause

1-2-1: **REPEAL OF GENERAL ORDINANCES:** All general ordinances of the Village passed prior to the adoption of this Village Code are hereby repealed, except such as are included in this Village Code or are by necessary implication herein reserved from repeal (subject to the saving clauses contained in the following sections), and excluding the following ordinances which are not hereby repealed: tax levy ordinances; appropriation ordinances; ordinances relating to boundaries and annexations; franchise ordinances and other ordinances granting special rights to persons or corporations; contract ordinances and ordinances authorizing the execution of a contract or the issuance of warrants; salary ordinances; ordinances establishing, naming or vacating streets, alleys or other public places; improvement ordinances; bond ordinances; ordinances relating to elections; ordinances relating to the transfer or acceptance of real estate by or from the Village; and all special ordinances. (1991 Code)

1-2-2: **PUBLIC UTILITY ORDINANCES:** No ordinance relating to railroad crossings with streets and other public ways, or relating to the conduct, duties, service or rates of public utilities shall be repealed by virtue of the adoption of this Village Code or by virtue of the

preceding Section, excepting as the Village Code may contain provisions for such matters, in which case this Village Code shall be considered as amending such ordinance or ordinances in respect to such provisions only. (1991 Code)

1-2-3: **COURT PROCEEDINGS:** No new ordinance shall be construed or held to repeal a former ordinance whether such former ordinance is expressly repealed or not, as to any offense committed against such former ordinance or as to any act done, any penalty, forfeiture or punishment so incurred, or any right accrued or claim arising under the former ordinance, or in any way whatever to affect any such offense or act so committed or so done, or any penalty, forfeiture or punishment so incurred or any right accrued or claim arising before the new ordinance takes effect, save only that the proceedings thereafter shall conform to the ordinance in force at the time of such proceeding, so far as practicable. If any penalty, forfeiture or punishment be mitigated by any provision of a new ordinance, such provision may be, by consent of the party affected, applied to any judgment announced after the new ordinance takes effect.

This Section shall extend to all repeals, either by express words or implication, whether the repeal is in the ordinance making any new provisions upon the same subject or in any other ordinance.

Nothing contained in this Chapter shall be construed as abating any action now pending under or by virtue of any general ordinance of the Village herein repealed and the provisions of all general ordinances contained in this Code shall be deemed to be continuing provisions and not a new enactment of the same provision; nor shall this Chapter be deemed as discontinuing, abating, modifying or altering any penalty accrued or to accrue, or as affecting the liability of any person, firm or corporation, or as waiving any right of the Village under any ordinance or provision thereof in force at the time of the adoption of this Village Code. (1991 Code)

1-2-4: **SEVERABILITY CLAUSE:** If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Village Code or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of

the remaining portions of this Code, or any part thereof. The Village Board of Trustees hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional, invalid or ineffective. (1991 Code)

be no fine or penalty specifically declared for such breach, the provisions of this Chapter shall apply. (1991 Code)

1-4-3: **LIABILITY OF OFFICERS:** No provision of this Village Code designating the duties of any officer or employee shall be so construed as to make such officer or employee liable for any fine or penalty provided for a failure to perform such duty, unless the intention of the Board of Trustees to impose such fine or penalty on such officer or employee is specifically and clearly expressed in the section creating the duty. (1991 Code)

Any regular meeting of the Board of Trustees which falls on a legal holiday shall be held on the next following secular day at the same hour and place.

- B. **Special Meetings:** The Village President or any three (3) Village Trustees may call special meetings of the Board of Trustees by a written call filed with the Village Clerk at least thirty six (36) hours prior to the time specified for such meeting. At least twenty four (24) hours' written notice of such special meeting shall be given to the Trustees by the Village Clerk, which notice shall specify the time and the purpose of such meeting and shall be delivered to each member of the Board of Trustees personally if he can be found and, if he cannot be found, then by leaving a copy of such notice at the home of such Board member in the presence of an adult member of the family of the Board member. The Village Clerk shall cause an affidavit showing service of such notice as herein provided, to be filed in his office prior to the time fixed for such special meeting. 1. Notice to Owner: If the inspecting officer shall determine that a public nuisance exists on private property and that there is great and immediate danger to the public health, safety, peace, morals or decency, the Village President may direct the Village Clerk, or other official whom the Village President shall designate, to serve notice on the owner or, if the owner cannot be found, on the occupant or person causing, permitting or maintaining such nuisance to abate or remove such nuisance within twenty four (24) hours and shall state that unless such nuisance is so abated, the Village will cause the same to be abated and will charge the cost thereof to the owner, occupant or person causing, permitting or maintaining the same, as the case may be.

2. Abatement by Village: If the nuisance is not abated within the time provided, or if the owner, occupant or person causing the nuisance cannot be found, some Village official whom the Village President shall designate shall cause the abatement or removal of such public nuisance.

C. Abatement by Court Action: If the inspecting officer shall determine that a public nuisance exists on private premises but that the nature of such nuisance is not such as to threaten great and immediate danger to the public health, safety, peace, morals or decency, he shall file a written report of his findings with the Village President who shall cause an action to abate such nuisance to be commenced in the name of the Village. (1991 Code)

3-4-4: **COST OF ABATEMENT:** In addition to any other penalty imposed by this Chapter for the erection, contrivance, creation, continuance or maintenance of a public nuisance, the cost of abating a public nuisance by the Village shall be collected as a debt from the owner, occupant or person causing, permitting or maintaining the nuisance, and if notice to abate the nuisance has been given to the owner, such cost shall be assessed against the real estate as other special taxes.

- A. In addition to any other penalty imposed by this Chapter, any cost or expenses incurred for the removal of the nuisance set forth in subsection 3-4-2B3 (removal of garbage, etc.) may be charged, and said charges, expenses or debt shall be a lien upon the premises in accordance with the provisions of the Illinois Revised Statutes, chapter 24, paragraph 11-20-13, upon fulfillment of the provisions therein.
- B. For the removal of weeds, as set forth in subsection 3-4-2B13, the charge assessed by the Village against the owner or other person failing to comply with this Chapter shall be not less than thirty five dollars (\$35.00) per lot for each cutting performed by the Village.

Real estate subject to a lien for unpaid cutting costs and expenses may be sold for nonpayment of the same, subject to the statutory rights of bona fide purchasers or prior lienors, and the proceeds of such sale shall be applied to pay such costs and expenses, after deducting court costs and legal fees, as in the case of the foreclosure of statutory liens. The Village Attorney is directed to institute such foreclosure proceedings, which shall be in equity and in the name of the Village, in any court of proper jurisdiction, against any real estate for which the cutting costs and expenses have remained unpaid for sixty (60) days after being incurred. (1991 Code)

3-4-5: **PENALTY:** Any person violating any particular provision or section of this Chapter shall, upon conviction, be subject to penalties in accordance with Section 1-4-1 of this Code and the costs of prosecution. Each act of violation and each day upon which a violation occurs constitute a separate offense. (1991 Code)

CHAPTER 2
WATER REGULATIONS
ARTICLE A. CROSS-CONNECTIONS

SECTION:

- 4-2A-1: Compliance with State Plumbing Code Required
- 4-2A-2: Connections Other Than to the Regular Water Supply of Village
- 4-2A-3: Surveys and Investigations
- 4-2A-4: Cross-Connection Control Inspector
- 4-2A-5: Disconnection; Reconnection
- 4-2A-6: Liability of Consumer
- 4-2A-7: Board of Trustees' Rules and Regulations

4-2A-1: **COMPLIANCE WITH STATE PLUMBING CODE REQUIRED:** All plumbing installed within Village shall be installed in accordance with the Illinois Plumbing Code, 77 Illinois Administrative Code 890. If, in accordance with the Illinois Plumbing Code or in the judgment of the Superintendent of Water, an approved backflow prevention device is necessary for the safety of the public water supply system, the Superintendent of Water will give notice to the water customer to install such an approved device immediately. The water customer shall, at his own expense, install such an approved device at a location and in a manner in accordance with the Illinois Plumbing Code and all applicable local regulations and shall have inspections and tests made of such approved devices upon installation and as required by the Illinois Plumbing Code and local regulations. (Ord. 89-06, 7-12-89, eff. 7-12-89)

4-2A-2: CONNECTIONS OTHER THAN TO THE REGULAR WATER SUPPLY OF VILLAGE: No person shall establish or permit to be established or maintain or permit to be maintained any connection whereby a private, auxiliary or emergency water supply other than the regular public water supply of Village, enters the supply or distribution system of the Municipality, unless such private, auxiliary or emergency water supply and the method of connection and use of such supply shall have been approved by the Superintendent of Water and the Illinois Environmental Protection Agency. (Ord. 89-06, 7-12-89, eff. 7-12-89)

4-2A-3: SURVEYS AND INVESTIGATIONS: It shall be the duty of the Superintendent of Water to cause surveys and investigations to be made of industrial and other properties served by the public water supply to determine whether actual or potential hazards to the public water supply may exist. Such surveys and investigations shall be made a matter of public record and shall be repeated at least every two (2) years or as often as the Superintendent of Water shall deem necessary. Records of such surveys shall be maintained and available for review for a period of at least five (5) years. (Ord. 89-06, 7-12-89, eff. 7-12-89)

4-2A-4: CROSS-CONNECTION CONTROL INSPECTOR: The approved cross-connection control device inspector shall have the right to enter at any reasonable time any property served by a connection to the public water supply or distribution system of the Village for the purpose of verifying the presence or absence of cross-connection to the public water supply or distribution system of the Village for the purpose of verifying information submitted by the customer regarding the required cross-connection control inspection. On demand, the owner, lessee or occupant of any property so served shall furnish to the Superintendent of Water any information which he may request regarding the piping system or systems or water use on such property. The refusal of such information, when demanded, shall, within the discretion of the Superintendent of Water, be deemed evidence of the presence of improper connections as provided in this Chapter. (Ord. 89-06, 7-12-89, eff. 7-12-89)

4-2A-5: DISCONNECTION; RECONNECTION: The Superintendent of Water of the Village is hereby authorized and directed to

discontinue, after reasonable notice to the occupant thereof, the water service to any property wherein any connection in violation of the provisions of this Chapter is known to exist and to take such other precautionary measures as he may deem necessary to eliminate any danger of contamination of the public water supply distribution mains. Water service to such property shall not be restored until such conditions have been eliminated or corrected in compliance with the provisions of this Chapter and until a reconnection fee of ten dollars (\$10.00) is paid to the Village. Immediate disconnection with verbal notice can be effected when the Superintendent of Water is assured that imminent danger of harmful contamination of the public water supply system exists. Such action shall be followed by written notification of the cause of disconnection. Immediate disconnection without notice to any party can be effected to prevent actual or anticipated contamination or pollution of the public water supply; provided, that in the reasonable opinion of the Superintendent of Water or the Illinois Environmental Protection Agency, such action is required to prevent actual or potential contamination or pollution of the public water supply. Neither the public water supply, the Superintendent of Water, or its agents or assigns shall be liable to any customer for any injury, damages or lost revenues which may result from termination of said customer's water supply in accordance with the terms of this Chapter, whether or not said termination was with or without notice. (Ord. 89-06, 7-12-89, eff. 7-12-89)

4-2A-6: **LIABILITY OF CONSUMER:** The consumer responsible for backsiphoned material or contamination through backflow, if contamination of the potable water supply system occurs through an illegal cross-connection or an improperly installed, maintained or repaired device or a device which has been bypassed, must bear the cost of clean-up of the potable water supply system. (Ord. 89-06, 7-12-89, eff. 7-12-89)

4-2A-7: **BOARD OF TRUSTEES' RULES AND REGULATIONS:** The Board of Trustees shall adopt rules and regulations to aid in the implementation of this Chapter. (Ord. 89-06, 7-12-89, eff. 7-12-89)

ORDINANCE 98-06

AN ORDINANCE ON WATER RATES

ADOPTED BY THE
BOARD OF TRUSTEES
OF THE
VILLAGE OF LODA
THIS 12TH DAY OF AUGUST, 1998

Published in pamphlet form by authority of the Board of Trustees of the Village of Loda,
Iroquois County, Illinois, this 12th day of August, 1998.

ORDINANCE NO. 98- 06

AN ORDINANCE ON WATER RATES

BE IT ORDAINED by the President and Board of Trustees of the Village of Loda, Iroquois County, Illinois, as follows:

SERVICE RATES AND CHARGES

- A. Rates and Charges Established: The following shall be the rate for water supplied through meters, payable monthly on the twentieth day of the month:
1. For the first 4,000 gallons per billing period, \$4.50 per 1,000 gallons;
 2. For all over 4,000 gallons per billing period, \$4.20 per 1,000 gallons;
 3. The minimum bi-monthly charge for service shall be \$18.00; and
 4. For each fire hydrant, a charge of \$2.50 per billing period shall be made to the Loda Fire Protection District. (Ord. 1990-10, 9-12-90, eff. 9-29-90)
- B. Service Bills; Delinquencies; Connection; Bills for water service shall be rendered bi-monthly on fifth day of each month and payment shall be due on the twentieth day of the month. A ten percent (10%) late fee will be added to the balance due of any user who has not paid by the due date. In the event of failure to pay bills by the last day of the month that the bills were rendered water service shall be discontinued and may be reconnected only upon payment of the bill plus the reconnection fee of twenty-five dollars (\$25.00). If a customer has more than one account and if one account is delinquent, all accounts can be disconnected.

Whenever it is necessary for a water user to connect to the Village water service, there shall be a \$20.00 charge to water user for the connection. A connection fee shall be charged each time a user is connected to the water service regardless of the reason for the prior disconnection. The connection fee shall be due and payable at the time water service is connected and shall be paid to the person authorized to collect the same by the Village Board of Trustees.

A connection to the water service shall be made only by a person authorized to do so by the Village Board of Trustees and any other connection shall be deemed an authorized connection.

Any unauthorized connection shall be disconnected from the water service by the Village. When water service is reconnected by authorized personnel, there shall be a reconnection fee of \$60.00 which shall be due and payable at the time water service is

reconnected and which shall be paid to the person authorized to collect the same by the Village Board of Trustees. The property owner of the residence provided with water service shall be responsible for payment of the bill regardless of the name in which the bill was originally rendered.

In the event charges for any water service are not paid by the due date of the month in which the bills were rendered, the charges shall be deemed delinquent and are hereby declared to be delinquent. Thereafter, the charges shall constitute a lien upon the real estate upon or for which water service was supplied. A sworn statement shall be filed in the office of the Recorder of Deeds of Iroquois County, Illinois, by the Village Clerk, setting out a description of such real estate sufficient for identification of the real estate, the amount due for such service and the date when such amount became delinquent. This shall be deemed notice of the lien for non-payment of such service. The failure to record the notice of the lien shall not affect the right to foreclose the lien which shall be foreclosed in the same manner and with the same effect as in the foreclosure of mortgages on real estate.

In the event that a water user during any one month has water usage in excess of one hundred fifty percent (150%) of the average bill for the preceding three months and this increased usage is due to a water lead, upon petition of the Board of Trustees, the user shall be entitled to a fifty percent (50%) reduction in the monthly bill. This relief is available to any water service user one time only.
